U.S.A. v. Joseph Mermelstein, 12 CR 0099 (JG)

Your Honors:

On behalf of my client, Mr. Joseph Mermelstein, I request, pursuant to Local Rule 50.3.2(d), that his case "be reassigned to the original judge on the ground that it was not properly related," but I also request that Your Honors take this request under advisement and not rule on it until either (i) Mr. Mermelstein retains private counsel, as he has indicated he intends to do, and such counsel has had the opportunity to consider whether to pursue or withdraw this request, or (ii) if Mr. Mermelstein does not retain private counsel, I have received the government's discovery, have had time to review such discovery and other material to evaluate the factual basis for the government's position that the cases are related (as set forth in its letter to the Court of February 6, 2012), and have had adequate opportunity to consider whether to pursue or withdraw this request.

Thank you for your attention to this matter.

Sincerely,

Douglas G. Morris  
Assistant Federal Defender
